

*This index lists every story Notre Dame Magazine has published from 2015 through 2023, arranged alphabetically by topic and by the people mentioned. You can use this resource to find story titles and dates so you can locate the full articles in our website or archives.*

*Page numbers in italics indicate photographs or illustrations. If the person is central to the article, the title of the article and full page range are included. If a person or organization is mentioned in the article, but is not central to the article, the page reference only includes the page numbers where the name and/or photo appears.*

## **A**

### **Abel, Jake**

"The professor next door" (Fosmoe, Margaret ['85]), Spring 2020: 8
